

## Poster List – Thursday 19 September

### Track 2: Treatment & Patient Care

6

**The utility of gene Xpert mycobacterium tuberculosis (TB) use in TB case finding among people living with HIV(PLHIV) in Arsi University, Asella Teaching and Referral Hospital, South East Ethiopia**

Habtamu A., Sorsa A., Jerene D., Negash S., Suarez P. (Ethiopia, Saint Barthelemy & USA)

32

**Districts of HIV clustering in Ethiopia: 2015-2017**

Gelaw Y.A., Magalhães R.J.S., Assefa Y., Williams G. (Ethiopia & Australia)

43

**Conventional and molecular determination of drug resistance in *Mycobacterium tuberculosis* and *Mycobacterium bovis* isolates in cattle**

Sweetline Anne N., Ronald B.S.M., Senthil Kumar T.M.A., Thangavelu A. (India)

44

**Regulatory T cells as potential targets for HIV cure research**

Kleinman A.J., Sivanandham R., Pandrea I., Chougnet C.A., Apetrei C. (USA)

46

**Toxicity associated with tuberculosis chemotherapy in the REMoxTB study**

Tweed C.D., Crook A.M., Amukoye E.I., Dawson R., Diacon A.H., Hanekom M., McHugh T.D., Mendel C.M., Meredith S.K., Murphy M.E., Murthy S.E., Nunn A.J., Phillips P.P.J., Singh K.P., Spigelman M., Wills G.H., Gillespie S.H. (UK, Kenya, South Africa, USA & Australia)

66

**Epidemiology of tuberculous lymphadenitis in Africa: A systematic review and meta-analysis**

Mekonnen D., Derby A., Shumet A., Nibret E., Biadlegne F., Munshae A., Bobosha K., Wassie L., Berg B., Aseffa A. (Ethiopia & UK)

70

**Cryptococcal antigenemia and its predictors among HIV infected patients in resource limited-settings: A systematic review**

Derby A., Mekonnen D., Woldeamanuel Y., Abebe T. (Ethiopia)

71

**Prevalence, HIV co-infection and multi-drug resistance of smear positive pulmonary tuberculosis in prison settings of Northwest Ethiopia**

Teklay G., Belay T., Baye G. (Ethiopia)

75

**Prevalence and factors associated with depressive symptoms among HIV-infected adolescents in the Republic of Congo**

Ekat M.H., Yotébieng M. (DRC & USA)

80

**Linkage to HIV care and starting art in Sub-Saharan Africa: Understanding a complex problem through the meta-study of qualitative research**

Lungu N., Lawrence D.S., Tsholo K., Jarvis J.N. (UK & Botswana)

## Poster List – Thursday 19 September

98

**The protective effect of isoniazid prophylaxis on tuberculosis incidence among HIV patients on art in Ethiopian settings: A meta-analysis**

Geremew D., Tessema B. (Ethiopia)

101

**Tuberculosis and its association with CD4<sup>+</sup> T cell count among adult HIV positive patients in Ethiopian settings: A meta-analysis**

Geremew D., Eshetie S., Tessema B. (Ethiopia)

116

**Effect of reliance on Xpert MTB/RIF on time to treatment and multidrug resistant tuberculosis in Tanzania: A retrospective cohort study**

Mollel E.W., Lekule I., Lynen L., Decroo T. (Tanzania & Belgium)

117

**Incidence rates for tuberculosis among HIV infected patients in Northern Tanzania**

Mollel E., Maokola W., Todd J., Mahande J., Msuya S. (Tanzania & UK)

124

**Epidemiological and clinical profile of HIV-infected patients at initiation of HAART in Lubumbashi settings, the Democratic Republic of the Congo**

Mbalabu O.B., Kantoba G.L., Bumba Y.K. (DRC)

125

**Predictors of treatment outcomes among multidrug resistant tuberculosis in Tanzania**

Leveru T., Lekule I., Mollel E., Lyamuya F., Kalonzo K. (Tanzania)

135

**Medical imaging in hospitalized patients treated for tuberculosis in a reference hospital in Rwanda a focus on dissemination status**

Bitunguhari L., Manzi O., Walker T., Clerinx J. (Rwanda, Australia & Belgium)

168

**Retention in HIV care and treatment: Analysis of healthcare-facility ownership differences in the patterns and determinants of loss to follow up in Nigeria**

Badejo O., Sagay H., Khamofu H., Adedokun O., Buvé A. (Belgium & Nigeria)

173

**Isoniazid and rifampicin resistance and patient treatment response in a tuberculosis and HIV-1 co-endemic population in Western Kenya**

Likhovole C., Ouma C., Khayumbi J., Murithi W., Okumu A. (Kenya)

175

**TB and HIV control program in Oromia region, Ethiopia: Seven years' retrospective data on comorbidity**

Sisay S., Mekonene A., Abera A., Berhane Y., Kebede T., Ferede A. (Ethiopia)

177

**Mid-upper arm circumference is a predictor of tuberculosis wasting**

Patsche C.B., Rudolf F., Sifna A., Wejse C. (Denmark & Guinea-Bissau)

## Poster List – Thursday 19 September

**183**

**Sexual transmitted disease in pregnant women - Kisantu health Zone-Democratic Republic of Congo, 2017**

Mvumbi G., Okitolonda.V., Magazani A., Yassa A., Masisa M., Okitolonda W.E., Muyembe-Tamfum J.J., Lubula L., Kebela B. (DRC)

**185**

**HIV case finding and linkage to care in Eleme local government area, Rivers State: A comparative analysis of facility HIV services optimization and community based HIV intervention**

Emenike A., Ekele O.D., Badru T., Agbakwuru C., Oladele E., Adedokun O., Owhonda G., Khamofu H., Pandey S.R. (Nigeria)

**200**

**HIV incidence among pregnant women and associated risk factors in Kabarole District, Uganda**

Theuring S., Schumann H., Rubagumya K., Rubaihayo J., Wanyenze R. (Germany & Uganda)

**209**

**Treatment interruptions and reengagement on HIV care in a rural county serving pastoralist communities in Kenya: A retrospective cohort study**

Yonga P.O., Kalya S.K., Lynen L., Decroo T. (Kenya & Belgium)

**219**

**Gender dimensions of tuberculosis (TB) – Examining under-reporting among men in Tanzania**

Sawhney M. (USA)

**220**

**The tuberculosis (TB) gender divide: Analysis of recent TB prevalence surveys**

Sawhney M., Kak N. (USA)

**224**

**Public- private mix on quality of care in provision of tuberculosis treatment**

Ndambuki J.N., Ondieki C.O. (Kenya)

**244**

**A descriptive analysis of screening and treatment of tuberculosis in pregnant women in urban tertiary care hospitals in Pakistan**

Ali R.F., Khan M., Shah M.T., Arif D., Khan A.J., Becerra M., Chandir S. (Pakistan, South Africa & USA)

**248**

**Survival rate and mortality risk factors among TB-HIV co-infected patients at a HIV-specialist hospital in Myanmar: A 12-year retrospective follow-up study**

Aung Z.Z., Saw Y.M., Saw T.N., Aung S., Oo H.N., Cho S.M., Khaing M., Kariya T., Yamamoto E., Hamajima N. (Myanmar & Japan)

**261**

**Tuberculosis risk among asylum-seekers and yield of interventions in Milan, Italy**

Villa S., Codecasa L.R., Faccini M., Pontello M.M., Ferrarese M., Castellotti P.F., Senatore S., Lamberti A., Campisi D.A.P., Raviglione M.C. (Italy)

**268**

**A randomized trial of Ambisome® monotherapy and combination of Ambisome® and Miltefosine for the treatment of VL in HIV positive patients in India**

Burza S., Pandey K., Mahajan R., Kazmi S., Alexander N., Lasry E., Moreto-Planas L., Goyal V., Das V.N.R., Das P. (India & UK)

## Poster List – Thursday 19 September

282

**Disclosure patterns to sexual partners following assisted partner notification services among people living with HIV/AIDS [PLWHA] in Calabar, Cross River State, Nigeria**

Orjih J.C., Ikani P., Afirima B., Ugobo E., Arogundade K. (Nigeria)

302

**Diagnosis of *treponema pallidum* and HIV infections and contact tracing in the Mbya-Guaraní population of the Puerto Iguazú, Argentina. A cross-sectional study**

Marx J., Acosta-Soto L., Deschutter E.J., Bornay-Llinares F., Sotillo-Soler V., Ramos-Rincón J.M. (Argentina & Spain)

354

**Knowledge, attitudes and practices of health professional about HIV, hepatitis B and hepatitis C infection in Banfora (Burkina Faso)**

Bako I.F., Sawadogo K.C.C.

367

**Post-tuberculosis complications in treated & cured patients in Burkina Faso: Steps towards sequelae management**

Ouédraogo A.R., Ouédraogo G., Boncougou K., Maïga S., Nacanabo R., Amadegnato G., Badoum G., Ouédraogo M. (Burkina Faso)

397

**Factors associated with tuberculosis-HIV coinfection in diagnosis in the Nzanza health zone from 2012-2017**

Nzuzi C., Mvumbi G., Okitolonda V., Onyamboko M. (DRC)

410

**Achieving the 3<sup>rd</sup> 90: Lessons learnt from the scale up and optimization of viral load testing among Children and Adults in Lagos state.**

Olatoregun O., Ginigeme O., Egwumba P., Ani A., Omoniyi D., Eberendu O., Olaitan R., Akande P., Akinyemi B., Samuels J.O., Jolayemi T., Okonkwo P. (Nigeria)

433

**Epidemiological, clinical aspects and outcome of patients under anti-tuberculosis treatment: A retrospective cohort study in Parakou, Benin**

Attinsounon C.A., Abissi R., Béhanzin L., Adé S., Alassani C.A., Dovonou C.A. (Benin)

458

**Prevalence of cardiovascular diseases and associated factors among adults patients living with HIV in Parakou, Benin**

Attinsounon C.A., Codjo L., Ahouansou L., Dohou S.H., Houenassi M.

470

**Current treatment of multidrug resistant tuberculosis in Ethiopia: An aggregated and individual patients' data analysis for outcome and effectiveness of the current regimens**

Eshetie S., Alebel A., Wagnew F., Geremew D., Fasil A., Sack U. (Ethiopia)

521

**Clinical patterns of tetanus and HIV co-infection in a referral hospital in Ethiopia: A case series**

Lomencho A. (Ethiopia)

542

**Literature review of HIV drug resistance and treatment failure in Nigeria: Call to action**

Ibiloye O.J. (Nigeria)

## Poster List – Thursday 19 September

**544**

**Clinical profile and outcomes of patients with abdominal tuberculosis from a tertiary care center from South India**

Nawahirsha S., Gunasekaran K., Prasad J.D., Das S., Iyyadurai R. (India)

**550**

**HIV viral suppression in a 16-year cohort (2002 - 2018), in a rural area, Chokwe, Mozambique**

Nacarapa E., Osório D., Paredes R. (Mozambique & Spain)

**570**

**“Leaving no one behind”: Improving TB-care through social support in Germany**

Beyersdorff L., Prömpers M., Menzel S., Knipper M. (Germany)

**582**

**Tuberculosis behind the cough**

Ramos V., García J., Subías C., García M., Guillamón A.E., Alegría I., Ramos J. (Spain & Ethiopia)

**585**

**Mortality patterns and predictors in HIV positive adults in a faith-based hospital in a LMIC: A ten-year review**

Olaniyi-George J.F.O., Okedare O.A., Omoluru T.O., Afolabi A.C.T. (Nigeria)

**599**

**Positive predictive value for HIV mother to child transmission, at zone with limited-resources, Macia-Mozambique**

Osório D., Nacarapa E., Paredes R. (Mozambique & Spain)

**601**

**HIV services offered to key population-female sex workers in the North West Region of Cameroon amidst criminalisation**

Tayong G., Fokam I., Wanyoh D. (Cameroon)

**612**

**Socio-political crisis in Cameroon: Hindrance to HIV services delivery and uptake**

Tayong G., Tedongmo M., Bekombo D. (Cameroon)

**613**

**Comparing program performance in private and public owned facilities providing human immunodeficiency virus (HIV) treatment and care services in Gombe State, Nigeria**

Jaiyeola O., Ibiloye O., Sowale O., Iseniyi J., Hassan Z., Kehinde O., Orjih J., Jega F. (Nigeria)

**626**

**HIV infected children are left behind in the North West Region of Cameroon**

Tayong G., Kengne C., Bekombo D., Tedongmo M. (Cameroon)

**645**

**HIV and cart associated dyslipidemia among HIV infected children**

Tadesse B.T., Foster B.A., Bizuayehu T., Ayalew F., H/Meskel G., Jerene D., Makonnen E., Aklillu E. (Ethiopia, Sweden & USA)

**649**

**Short-term outcomes of rapid initiation of antiretroviral therapy among patients newly diagnosed with HIV infection in the real-world setting**

Hung C.C., Huang Y.C., Sun H.Y., Chuang Y.C., Cheng A., Luo Y.Z., Chang S.C. (Taiwan)

## Poster List – Thursday 19 September

650

**Molecular epidemiology of *m. Tuberculosis* in ethiopia: a comprehensive and updated systematic review and meta-analysis**

Mekonnen D., Derby A., Nibret E., Munshae A., Biadlegne B., Aseffa A. (Ethiopia)

662

**Trends in quality of care and antiretroviral treatment in Burkina Faso from 2015 to 2017**

Yonli B.P.C., Guire A., Ouedraogo T., Zambelongo Z., Kl C. (Burkina Faso)

664

**Tuberculosis lymphadenitis and human immunodeficiency virus co-infections among lymphadenitis patients in northwest Ethiopia: A cross-sectional study design**

Zenebe Y., Adem Y., Tulu B., Mulu W., Mekonnen D., Muluken G, Abera B., Abebe B., Derby A., Biadlegne F. (Ethiopia)

667

**Perceived barriers and facilitators to adherence to antiretroviral therapy among persons living with HIV in the Upper East Region**

Apiung A.G., Ohene-Adjei C., Wombeogo M. (Ghana)

684

**Factors associated with unsuccessful treatment outcome in tuberculosis patients among refugees and their surrounding communities in Gambella Regional State, Ethiopia**

Ejeta E., Beyene G., Balay G., Bonsa Z., Abebe G. (Ethiopia)

699

**Does the risk of developing pneumocystis jiroveci pneumonia increases after discontinuation of primary prophylaxis in HIV patients who started highly active antiretroviral therapy?**

Lay P. (Cambodia)

734

***Mycobacterium tuberculosis* burden, Multi-drug resistance pattern and associated risk factors among presumptive extra pulmonary tuberculosis cases at Dessie referral Hospital - Northeast Ethiopia**

Feleke.M., Endalkachew T., Getenet A. (Ethiopia)

746

**Haematological and CD4+ T cells reference ranges in healthy adult populations in Gojjam Zones in Amhara Region, Ethiopia**

Mulu W., Abera B., Mekonnen Z., Adem Y., Yimer M., Zenebe Y. Amuamuta A., Gebeyehu W. (Ethiopia)

788

**A case of disseminated histoplasmosis with concomitant clostridium difficile infection, *P. aeruginosa* and *E. coli* bacteraemia and citomegalovirus reactivation in HIV patient in a non-endemic country**

Ramirez-Hidalgo M.F., Cuadrat-Begue I., Bellés-Bellés A., Gros-Navés L., Perez-Reyna R., Chavez-Parada C., Pericas-Pulido J.M. (Spain)

815

**Factors affecting tb treatment outcomes in the Bole District of Ghana: A cross sectional study**

Helegbe G.K., Eliasu Y., Aryee P.A., Ameade E.P.K., Sulemana M.B., Kuganab-lem, R. Yiadom B., Mahamah B.E., Lotsu S.A. (Ghana)

## Poster List – Thursday 19 September

**829**

**Genetic diversity and transmitted drug resistance in HIV-1 infected pregnant women newly diagnosed in Luanda, Angola**

Sebastião C.S., Neto Z., Jesus C.S., Mirandela M., Jandondo D., Couto-Fernandez J.C., Tanuri A., Morais J., Brito M. (Portugal, Angola & Brazil)

**843**

**Elevated plasma matrix metalloproteinase-8 predicts sputum culture positivity in pulmonary tuberculosis**

Walker N.F., Karim F., Moosa M.Y.S., Moodley S., Mazibuko M., Khan K., Leslie A., Pym A. (UK & South Africa)

**846**

**Challenges in tuberculosis infection control in public healthcare facilities in Arba Minch town of Southern Ethiopia; A mixed methods study**

Toitole K.K., Vander Kelen C., Ejara E.D., Battaglioli T. (Ethiopia & Belgium)

**847**

**Optimizing linkage to HIV treatment through improved Utilization of data tools for decision making in North west Nigeria**

Etsetowaghan A., Mairiga F., Onyealisi K. (Nigeria)

**858**

**Respiratory tract cryptosporidiosis is common in HIV-negative children with primary gastrointestinal or respiratory clinical presentations**

Mor S.M., Ndeezi G., Ascolillo L.R., Tasimwa H.B., Charalampos A., Nakato R., Namuli L., Tzipori S., Tumwine J.K., Griffiths J.K. (UK, Uganda, USA)

**872**

**Integration of mental health service delivery in a multi-drug resistant-tuberculosis (MDR-TB) program in Tangail, Bangladesh: A review of literature and a district level situation analysis**

Datta D., Battaglioli T., Van de put W. (Bangladesh & Belgium)

**907**

**Risk factors for tuberculosis (TB) treatment interruption among patients in Baringo County, Kenya: A retrospective cohort study**

Yonga P.O., Rutto K., Rono R., Kalya S.K. (Kenya)

**932**

**Co-morbidities in Filipino persons with tuberculosis: A cross-sectional study in urban and rural public TB-dots facilities**

White L.V., Edwards T., Lee N., Castro M.C., Saludar N.R., Calapis R.W., Faguer B.N., Garfin C., Solon J.A., Cox S.E. (UK & The Philippines)

**933**

**Increasing detection of lymphatic tuberculosis cases using GeneXpert: Applying advanced technology to diagnostics in Bangladesh**

M.S. Shomik, N. Akhter, C.K. Roy, Mia R.A., Kamal M., Dutta P.G., Mondal D. (Bangladesh)

**942**

**Perceived barriers and facilitators to tuberculosis care in Nepal**

Dixit K., Aryal T.P., Gurung S.C., Dhital R., Caws M., Wingfield T. (UK & Sweden)

**948**

**Patient and stakeholder perspectives on barriers and facilitators to tuberculosis care in Nepal**

Dixit K., Gurung S.C., Dhital R., Caws M., Wingfield T. (UK & Sweden)

## Poster List – Thursday 19 September

959

**Risk of active tuberculosis among daa exposed HCV-HIV infections: A case control study**

Pradhan B., Peeyush D., Agrawal Y., Kattel V. (Nepal)

991

**Diabetes mellitus in tuberculosis patients and its impact on clinical presentations**

Pacifique N., Thierry H., Carmen M.P. (Rwanda & Romania)

1002

**Drug resistance profiles of HIV-1 positive patients experiencing virological rebound on ritonavir-boosted darunavir monotherapy**

Abdullahi A., Fopoussi O.M., Beloukas A., Defo V.F., Moudourou S., Kouanfack C., Torimiro J., Geretti A.M. (UK & Cameroon)

1024

**Achieving the third 90 using integrated sample referral approach in a resource constraint setting: Aids healthcare foundation benue experience**

Abiazem G.C., Njoku O.B., Mgbetcheta C., Yibowei N. (Nigeria)

1031

**High Prevalence of Helicobacter pylori Infection, Atrophic Gastritis and Hypochlorhydria in HIV-Positive Cameroonians tested by Serological Stomach-Specific Biomarkers (GastroPanel®)**

Ebule I.A., Ngum V.N., Ngouana K.T., LebongoBelayang A.M., Mbopiwou N.I., Sonkwe A.P., Noah N.D., Marie Claire O.A., Paloheimo L., Syrjänen K. (Cameroon, Finland & Brazil)

1042

**Exploring HIV stigma and its correlates amongst people living with HIV/AIDS in a rural area in Niger-delta region of Nigeria**

Nwankwo O.N.O., Ameh S., Nwankwo G.I., Oku A., Agbor E.I., Ekpeyong N., Obionu C.N. (Nigeria)

1045

**Strengthening tuberculosis diagnosis and notification through TB surge: Experience of Uganda protestant medical bureau**

Mirembe J., Kyomugisha B., Mugadu J., Nkurunziza P. Mugume N., Amutuhaire W. (Uganda)

1067

**Rates of drug resistance-associated mutations in HIV-1 pol region among newly diagnosed individuals of the North West Region of Cameroon**

Lem E.A., Fokunang C., Nyamache A.K., Okemo P., Tchabda L.A., Yengo C., Takou D.K., Torimiro J.N. (Cameroon & Kenya)

1096

**Assessment of the risk factors associated with multidrug resistant tuberculosis in Sudan: A case control study**

Elduma A.H., Hamdan H.M. (Khartoum-Sudan)

1114

**Isolated testicular TB: A rare case in a 41 years old patient**

Lomencho A., Fantaye H. (Ethiopia)

18

**Prevalence, associated factors and outcome of ventilator associated pneumonia among patients in intensive care units at Kilimanjaro Christian Medical Center, Tanzania**

Nyamboto G., Muro F. (Tanzania)

## Poster List – Thursday 19 September

82

**Lay community perceptions and treatment options for hypertension in rural Northern Ghana – A qualitative analysis**

Nyaaba, G.N., Masana, L., Aikins A.D., Stronks, K., Agyemang C. (The Netherlands, Spain & Ghana)

92

**The hidden burden of chronic respiratory disease in patients attending TB clinics in The Gambia**

Jayasooriya S.M., Jobe A., Badjie S., Owolabi O., Rachow A., Sutherland J.S., Kampmann B. (Gambia, Germany & UK)

138

**The outcome of patients on hemodialysis at university teaching hospital of Kigali - A retrospective analytical study on patients with acute and chronic renal failure**

Bitunguhari L., Twahirwa T.S., Murengezi E., Mukiza J. (Rwanda)

157

**Depression and social support among breast cancer patients in Addis Ababa, Ethiopia**

Tilahun A.W., Abebe W., Abraha A., Tefera S. (Ethiopia & USA)

190

**The efficacy of processed amaranth on anemia prevalence and hemoglobin level in preschool children in South Ethiopia: A randomised controlled trial**

Orsango A.Z., Loha E., Lindtjørn B., Engebretsen I.M.S. (Ethiopia & Norway)

214

**Mental disorders in Northern Burkina Faso**

Ouedraogo S., Wédraogo A.M., Salamon R., Thonneau P. (Egypt, Burkina Faso & France)

240

**Early life exposures and cardiovascular disease risk among Ghanaian populations: The RODAM study**

Boateng D., Danquah I., Said-Mohamed R., Smeeth L., Nicolaou M., Meeks K., Schulze M.B., Grobbee D.E., Agyemang C., Klipstein-Grobusch K. for the RODAM consortium (The Netherlands, Ghana, Germany, UK & South Africa)

333

**The state of preparedness for integration of non-communicable diseases services in primary care facilities in Lilongwe, Malawi**

Shiroya V., Nkhweliwa C., Safary E., Chaweza T., Mwagomba B., Phiri S., Deckert A., Müller O., Neuhann F. (Germany, Kenya & Malawi)

358

**Gender differences in sociodemographic and behavioural factors associated with BMI in an adult population in rural Burkina Faso – An AWI- Gen sub-study**

Boua R. P., Sorgho H., Rouamba T., Nakanabo-Diallo S., Bognini J.D., Konkobo S.Z., Valia D., Lingani M., Ouoba S., Ramsay M., Tinto H. as members of AWI-Gen and the H3Africa Consortium (Burkina Faso & South Africa)

379

**Patterns of skin cancer and treatment outcomes for patients with albinism at Kisangani clinic, Democratic Republic of Congo**

Inena G., Forrestel A.K., Kovarik C.L., Williams V.L. (DRC & USA)

## Poster List – Thursday 19 September

492

**The burden of hypertension in Hawassa, Ethiopia and its public health response: A cross-sectional study on participants of a cycling event and systematic literature review**

Lomencho A., Fantaye H., De Vos P. (Ethiopia & UK)

494

**Update on the further development of the SkinApp**

Jansen B., Mieras L., Veldhuijzen N., Mwageni N., Schoenmakers A., Kasang C., van Hees C. (The Netherlands, Tanzania & Germany)

504

**Evaluation of the experimental spasmolytic and antiulcer effect of the fruit extract and fractions of *Cucumis metuliferus***

Ihim S.A., Okpalaeke E.E, Nworu C.S (Nigeria)

534

**Perspective of private health care providers in Madhya Pradesh in adopting key strategies of the India Hypertension Management Initiative (IHMI)**

Krishna A., Abhishek K., Suyash S. (India)

540

**Acute paracetamol tablet overdose – Clinical profile from a tertiary care centre in South India**

Prasad J., Karthik G., Ramya I. (India)

561

**The diagnostic pathway for type 2 diabetes in eastern Uganda: A qualitative study**

Kasujja F.X., Mayega R.W., Helle M.A., Ekirapa E.K., Nuwaha F.N., Meena D. (Uganda & Sweden)

579

**Clinical profile of rodenticide poisoning and clinical determinants of mortality and morbidity**

Jayakaran J., Iyyadurai R., Abhilash K.P.P. (India)

598

**Prevalence of diabetes mellitus: A community based cross-sectional study in Wolaita Sodo, southern Ethiopia**

Kumma W.P., Lindtjørn B., Moen B., Loha E. (Ethiopia & Norway)

602

**Diagnosis and monitoring of hypertension at community level and model of interaction between health facility and community volunteers in central Malawi**

Safary E., Mwandeti M., Mwangomba B., Shiroya V., Winkler V., Deckert A., Phiri S., Neuhann F. (Germany & Malawi)

610

**Community management of childhood fractures in Ghana: An exploratory study**

Gyapong M., Garshong B., Binka C., Addei S., Manyeh A., Mottey B.E., Addo W.L. (Ghana)

641

**Mentoring and supervision - A key component to ensure quality services in Rajshahi and Naogaon districts in Bangladesh**

Akhter F., Ghatak S., Haque A. (Bangladesh)

655

**An enigma of Extra-Pontine Myelinosis in primary adrenal insufficiency**

Reddy S.S., H S S. (London & India)

## Poster List – Thursday 19 September

682

**Knowledge assessment of type 2 diabetes mellitus in Pakistan**

Fatima A. (Pakistan)

709

**Experiences of psychotherapists working with refugees: With a focus on explanatory models as a challenge**

Asfaw B.B., Lohmann J. (Germany)

711

**Managing paediatric type 1 diabetes in a sub-Saharan refugee camp setting**

Siese T.F., Beck A.J., Alins Sahun Y. (UK)

731

***Helicobacter pylori* infections in Ethiopia; Prevalence and associated factors: A systematic review and meta-analysis**

Melese A., Genet C., Zeleke B., Andualem T. (Ethiopia)

779

**Liver function tests and fibrosis scores in a rural African population: Estimation of the burden of disease and associated risk factors**

O'Hara G.A., Mokaya J., Downs L.O., McNaughton A.L., Hau J.P., Ashiki G., Seeley J., Matthews P.C., Newton R. (UK & Uganda)

831

**2018 mass campaign and screening on hypertension and diabetes - Kigali, Rwanda: Prevalence, knowledge and risk factors**

Zinnen V., Mukantagara M., Mukangarambe P., Mbarushimana A., Rwagasore E., Tihon V., Ndayisaba G., Condo J. (Rwanda)

832

**Dietary intakes, perceived quality of life and risk factors for Metabolic Syndrome among middle aged adults in Ghana: a case-control study**

Bannerman E.K., Klomegah S., Zotor F., Agbozo F. (Ghana & Germany)

902

**Doxycycline a game changer against Acute Undifferentiated Febrile Illness in the Himalayas**

Kattel V., Sarraf D.P., Agrawal Y. (Nepal)

953

**Prevalence, associated factors and outcome of Ventilator Associated Pneumonia among patients in intensive care units at KCMC, Tanzania**

Nyamboto G., Muro F. (Tanzania)

1011

**Prevalence of cardiovascular risk factors and cardiovascular disease in immigrant populations from South Asia living in Barcelona**

De Gispert-Uriach B., Feijoo-Rodríguez M.V., Yuste-Botey M., Cortés-Pastor G., Fernández-Sanmartín M. (Spain)

1025

**Prevalence of non-communicable diseases risk factors across level of education in Rwandan population**

Dushimiyimana V., Rwunganira S., Musabyimana J.P., Ndishimye P., Niyonsenga S.P., Musanabaganwa C., Ntaganda E., Nshyimirimana L., Ndayisaba G., Condo U.C. (Rwanda)

## Poster List – Thursday 19 September

**1041**

**Pakistani women's lifestyles and cardiovascular risk factors: A cultural approach for change towards healthier lifestyles**

De Gispert-Uriach B., Yuste-Botey M., Plaza-Espuña I., Barcos-Sanandres S., Calero-Blázquez C., Ciudad-Álvarez C. (Spain)

**1071**

**Diagnostic performance of four clinical prediction scores for pulmonary embolism in a sub-Saharan African emergency department: A cross-sectional study**

Tochie J.N., Esiéné A., Etoundi P.O., Minkande J.Z. (Cameroon)

**1110**

**A case of sepsis following dog bite with normal appearing wound site**

Lomencho A., Fantaye H. Teame A. (Ethiopia)

**1112**

**Reasons for avoidable surgical referrals in Malawi, Tanzania and Zambia**

Juma A., Gajewski J., Cheelo M., Mwamasapa G., Pittalis C., Chilonga K., Marealle P., Kataika E., Brughra R. (Ireland, Zambia, Malawi & Tanzania)

**450**

**Evaluation of the performance of commercially-available immune-chromatographic Rapid Diagnostic Tests (RDTs) for the diagnosis of dengue in India**

Mahajan R., Flevaud L., Periera A., Harshana A., Boelaert M., Goswami R., Burza S. (India, Spain & Belgium)

**868**

**Imported Chikungunya in primary health**

Gispert-Saüch-Puigdevall N., Mallart-Raventós M., Silva-Garcia L., Altés-Vaques E., Saperas-Pérez C., Gonzalez-Martinez M.A., A Sequeira-Aymar E., De Gispert-Uriach B., García-Gozalbes J., Aguilar-Margalejo A. (Spain)

**87**

**Comparative community based uptake of self sampling for HPV DNA testing for cervical cancer screening in Ethiopia: A cluster randomized trial**

Gizaw M., Ruddies F., Addissie A., Worku A., Abebe T., Teka B., Kaufmann A.M., Kantelhardt E. (Ethiopia & Germany)

**102**

**Latest trick about H1N1 influenza vaccine induced autoimmunity and its association with HLA-DQB1\*0602 genotype**

Geremew D. (Ethiopia)

**129**

**Impact of Ebola outbreak on pregnant Ebola negative tested women**

Guinovart S., Lledó P., Bernasconi A., Flevaud L., Segers N., de la Rosa O. (Spain & Switzerland)

**161**

**Seroprevalence of Zika virus in selected regions in Kenya**

Kisuya B., Julius O.O., Moses M.M. (Kenya)

**196**

**A case-series of three returned travellers with vaccine-preventable encephalitides**

Easton A. (UK)

## Poster List – Thursday 19 September

313

**Clinical profile and outcomes of inpatients with influenza from a tertiary care center in South India**

Gunasekaran K., Das S., Iyyadurai R. (India)

449

**Goat milk exosomes: Novel therapeutics for dengue infection**

Yenuganti V.R., Afroz S., Bharadwaj C., Pallu R., Khan N. (India)

455

**Retrospective analysis of Ebola virus negative human blood samples from Bikoro, DRC 2018**

De Smet B., De Weggheleire A., Makiala-Mandanda S., Mbala-Kingebeni P., Ariën K., Ahuka-Mundeke S. (Belgium & DRC)

479

**Markers of hepatitis B infection in ambulatory treatment-naïve HIV infected patients in urban Lilongwe, Malawi**

Neuhann F., Chaweza T., Demir M., Heger E., Heller T., Tweya H., Kaiser R., Fätkenheuer G., Phiri S., Steffen H.M. (Germany & Malawi)

537

**Epidemiology of influenza virus infection among undergraduate students of a university in Thailand**

Subhaluksuksakorn P., Pornsophon A. (Thailand)

740

**Assessment of surveys and surveillance studies, elicit gaps and challenges for more comprehensive interventions towards Lassa fever prevention: A literature review**

Agbo U. (Nigeria)

741

**Occupational exposure to blood and body fluids born infections and associated factors among healthcare professionals at university of Gondar comprehensive specialized referral hospital, North West Ethiopia**

Feleke.M., Jemal Y., Ketsela Y. (Ethiopia)

770

**High-intermediate endemic prevalence of hepatitis B virus amongst febrile patients in Bangladesh, including evidence of occult infection**

Chowdhury F.R., McNaughton, A.L., Amin M.R., Barai L., de Cesare M., Bowden R., Klenerman P., Das B.C., Dunachie S.J., Matthews P.C. (Bangladesh, UK & Thailand)

776

**Inadvertent administration of yellow fever vaccine to individuals with past thymectomy: Two case reports**

Jacobs M., Aarons E., Buckley J., Das A., Hutley E., Mephram S., Lucas S., Spicer W., Ryan J., Warrell C. (UK)

969

**Favipiravir efficacy and safety in lassa fever: A systematic review**

Bahaie N.S., Nhu Y.M., Tawfik G.M., Hassan O.G., Khattab E.M., Ba Nghia T.L., Mohamed H.S., Huy N.T. (Egypt, Viet Nam & Japan)

## Poster List – Thursday 19 September

1014

**Description of hepatitis B viral loads within a UK cohort of chronic infection**

Downs L.O., Smith D., Patel M., McNaughton A.L., Salih H., Freeman O., Varnai K., Davies J., Barnes E., Matthews P.C. (UK)

1018

**Epidemiology of hepatitis B and evaluation of vaccine efficacy in a census-based community serosurvey of Ndirande township in Blantyre, Malawi**

Stockdale A.J., Shawa I., Everett D., Geretti A.M., Gordon M. (Malawi & UK)

1103

**Yellow fever vaccine associated viscerotropic disease in 42 years old male**

Lomemncho A., Fantaye H. (Ethiopia)

25

**Staphylococcus Aureus infections and antibiotics: The antibiotic profile at University Teaching Hospital of Kigali (CHUK)**

Nyirabanguka C., Umuhoza C., Ntacyabukura B. (Rwanda)

30

**Determinants of hospital-wide antimicrobial stewardship program in Nnamdi Azikiwe University Teaching Hospital, Nnewi**

Okechukwu R. C., Onyejiaka D., Elo-Ilo J. C., Ebenebe J., Egbuniwe M., Obasikene C., Nri-Ezedi C.A., Ugbaja J. (Nigeria)

31

**Prevalence of sexually transmitted infections and risk factors among young people in a public health center in Brazil: A cross-sectional study**

Peder L.D., Silva C.M., Nascimento B.L., Malizan J.A., Madeira H.S., Horvath J.D., Silva E.S., Teixeira J.J.V. (Brazil)

40

**Prevalence of bacteriospermia in human semen among infertility testing patients**

Ochieng' L.O., Masika M.M., Mureithi M., Maranga I. (Kenya)

63

**Chronic bacterial wound infections in rural Ghana**

Dekker D., Hogan B., Oppong K., Strauss R., Krumkamp R., Groß U., Sarpong N., May J. (Germany & Ghana)

88

**Prevalence of *Cryptosporidium* infection among children suffering diarrhoea in Buea health district**

Fotsa F.B., Sofeu D., Kamena F. (Cameroon)

126

**Type of bacterial isolates and their antimicrobial resistance profile from different clinical samples at a referral hospital, northwest Ethiopia**

Abebe M., Tadesse S., Meseret G., Derby A. (Ethiopia)

134

**The determinant of diphtheria outbreak in Cirebon, Indonesia**

Suhendri M.R., Ghazali P.L. (Indonesia)

## Poster List – Thursday 19 September

170

**Risk factors for diagnosed Noma in northwest Nigeria: A case-control study**

Farley E., Lenglet A., Ariti C., Jiya N.M., Adetunji A.S., van der Kam S., Bil K. (Nigeria, The Netherlands & UK)

284

**ChloS-HRM, a novel assay to identify chloramphenicol-susceptible *E. coli* and *K. pneumoniae* in Malawi and Nepal**

Williams C.T., Musicha P., Feasey N.A., Adams E.R., Edwards T. (UK, Malawi & Thailand)

300

**Bacteriological profile of urinary infection in a rural area in Uganda**

Carrasco F., Pérez Tanoira R., Cuadros J., Roca Biosca D., Górgolas M., Ramos Rincón J.M. (Spain)

392

**Seasonality of *Blastocystis* spp. in a health department in eastern Spain**

Navalón-Blasco S., Aleixandre-Gorriç I., Real A., Ibañez L., Almodóvar-Fernández I., López-Pedrajas R., Gregori-Roig P., Navarro L., Domínguez-Márquez M.V., Sánchez-Thevenet P. (Spain)

443

**Diphtheria in children within an emergency outbreak setting – A clinico-epidemiological comparative analysis with adult patients in Bangladesh**

Sikder E., Valle del Barrio B., Firuz W., Khatoun R., Opstrup A., Sagrado M.J., Prieto M.A., Lafferty N., Mahajan R., Masum R.R., Patti J. (Bangladesh & Spain)

446

**Tracking typhoid outbreak strains in Zimbabwe and neighboring countries from 2009 to 2018**

Mashe T., Kingsley R.A., Zinyowera S., Marleen M.K., Thilliez G., Robertson V., Phiri I., Stray-Pedersen B., Gally D., Ehlers M.M. (South Africa, Zimbabwe, Norway & UK)

448

**Systematic review of scrub typhus study landscape: Protocol and preliminary literature search results**

Saraswati K., Maguire B., Singh S., Day N.P.J., Guérin P.J. (Indonesia, Thailand & UK)

508

**A highly multiplexed melt-curve assay for detecting carbapenemase and ESBL genes in the *Enterobacteriaceae***

Edwards T., Williams C., Hobbs G., Cuevas L.E., Evans K., Adams E.R. (UK)

509

**Brucellosis in a low prevalence setting**

Fordham I., O'Connor C., Riley P. (UK)

525

**Antibiotic resistance pattern of urinary tract infections in a facility in Ethiopia: Experience of a clinician**

Lomencho A. (Ethiopia)

604

**Novel oral self-nanoemulsifying delivery systems of gentamicin: New frontier against pneumococcal meningitis**

Attama A.A., Umeyor C.E., Onugwu A.L., Akpa P.A., Echezona A.C., Agbo C.P. (Nigeria)

## Poster List – Thursday 19 September

661

**Bacterial profile and antimicrobial susceptibility pattern of neonatal sepsis in Felege Hiwot Referral Hospital, Bahirdar, northwest Ethiopia: A correctional study**

Tazeb M., Daniel M., Yohannes Z., Laway B. (Ethiopia)

687

**Assessment of appropriateness of antibiotic use: A hospital based prospective follow-up study**

Ayele T.T., Ayalew D.D. (Ethiopia)

748

**Multi-drug resistance and nosocomial infections of *Acinetobacter baumannii* and *Pseudomonas aeruginosa* among patients hospitalized at a referral hospital, northwest Ethiopia**

Motbainor H., Mulu W., Bereded F. (Ethiopia)

753

**Urban outbreak of pneumonic plague in 2017 in Madagascar: Experiences from a tertiary care hospital in Antananarivo**

Raberahona M., Andriananja V., Razafinambinintsoa T., Rakotomalala R., Andriamamonjisoa J., Rakotomijoro E., Rajaonarison H.M., Andrianasolo R.L., Rakotoarivelo R.A., Randria M.J.D. (Madagascar)

807

**Case report ocular toxoplasmosis in a 30-year immunocompetent Congolese woman**

Makumyaviri Mbuiro J. (DRC)

824

**Burden of Extended-Spectrum Beta-Lactamase (ESBL) bloodstream infection in a large urban hospital in Malawi: Mortality and economic cost**

Lester R., Maheswaran H., Mangochi H., Langton J., Iroh-Tam P.Y., Bakali W., Mallewa J., Jewell C.P., Feasey N.F. (UK & Malawi)

937

**Burden of imported tropical disease as work-related health events in the medical service of an internationally working organisation**

Kreuzberg C., Wagner S. (Germany)

945

**The TRIM (TRanscripts to Identify Meningitis) test: Assessing the accuracy of this novel host transcript based blood test to correctly diagnose bacterial meningitis among distinct hospital populations from Indonesia and UK**

McGill F., Aifa B.L., Flatley J., Prince T., Satiti S., Herini E.S., Wibawa T., Carman W., Solomon T., Griffiths M.J. (UK, Indonesia & Luxembourg)

968

**Two cases of leptospirosis imported from Thailand to the Czech Republic**

Stejskal F., Herrmannova K., Hurtukova L., Kracik M., Dryak P., Vitous A. (Czech Republic)

977

**Seroprevalence study and associated risk factors of human brucellosis in patients presenting with acute febrile illness in urban and rural areas of southern province Rwanda**

Manzi O.M. (Rwanda)

1006

**Cholera Logistics Management in Zimbabwe, 2018**

Chaibva B.V., Madzikwa N.B., Phiri I., Hove R. (Zimbabwe)

## Poster List – Thursday 19 September

**1008**

**Causes and outcome of bloodstream infections in Cambodian adults: Results of 9 year surveillance**

De Vos K., Liesenborghs A., Phe T., Veng C., Jacobs J., Vlieghe E. (Belgium & Cambodia)

**1075**

**Point Prevalence Survey of antimicrobial use and resistance from hospitals in sub-Saharan Africa**

Kuti O.O., Alori S. (Ghana & Nigeria)

**1101**

**Current practice of intrapartum antibiotic prevention in Nigeria and sub-Saharan Africa**

Adejumo R.N., Nakakana U.N. (Nigeria & The Gambia)

## Poster List – Thursday 19 September

### Track 5: Age-Related Healthcare

668

**Technological and social approaches to maternal health services improvement: A quasi-experimental assessment of the effect of decision-support and performance-based incentives on client satisfaction with maternal health services in northern Ghana**

Apiung A.G., Howard N., Otupiri E., Williams J.E. (Ghana & UK)

984

**Sub-optimal vaccination coverage among South African children: Implication for vaccine-preventable disease control programme**

Adetokunboh O.O. (South Africa)

742

**Rubella outbreak in the school children, Addis Ababa, Ethiopia: February- April 2018**

Dinede G., Wondimagegnehu A., Enquselassie F. (Ethiopia)

263

**Urogenital infections among pregnant women in Pemba Island, Tanzania**

Juliana N.C.A., Deb S., Sazawal S., Morr  S.A., Ambrosino E. (The Netherlands, Tanzania & India)

258

**Changing the trend of maternal and newborn mortality by basic gestures in Madagascar**

Andrianaivo N., Rakotovaio J.P., Razafimandimby E. (Madagascar)

298

**Improving the quality of maternal and newborn health in LMIC: The Saving Mothers Giving Life Initiative mentorship approach in Nigeria**

Arogundade K.A, Femi-Pius O., Jaiyeola.O., Erhunmwunse Y., Jega F. (Nigeria)

639

**Task shifting of emergency Caesarean Section in south Ethiopia: Are we recreating the brain drain?**

Asefa A., Morgan A., Berhan Y. (Ethiopia & Australia)

640

**Improving surgical informed consent in obstetric and gynaecologic surgeries in a teaching hospital in Ethiopia: A before and after study**

Asefa A., Wolde Z., Gedefaw A., Teshome M. (Ethiopia & Australia)

554

**Sexual and reproductive health for undocumented women in The Netherlands: An exploration of knowledge, needs, barriers, and wishes regarding SRH and the perceived quality of primary SRH-care**

Baltes, I., Boland G., van den Muijsenbergh M.E.T.C. (The Netherlands)

567

**Exploring the impact of reproductive loss in near-miss women in Zanzibar**

Broerze F.M.J., Herklots T., Khamis Mzee M., Saadun Mabrouk S., Franx A., Jacod B. (The Netherlands & Tanzania)

## Poster List – Thursday 19 September

**374**

**High prevalence of intestinal parasites in an urban population of pregnant women from Bukavu, Democratic Republic of Congo**

Mulinganya G., Hendwa E., Callens S., Hofkens K., Verweij J.J., Bisimwa G., Levecke B., Cools P. (Belgium, DRC & The Netherlands)

**280**

**Uptake of prostate cancer screening among older men in Mukono District, Uganda**

Ddumba I., Mbonye E., Ssentamu D., Nyanzi H., Kakande B. (Uganda)

**289**

**Motivations for participating in the use of mobile smart phone App focusing on monitoring of hypertension among older persons in Uganda**

Ddumba I., Joloba S., Kakande B. (Uganda)

**99**

**HIV and its co-infection with HBV among pregnant women in Ethiopia: A systematic review and meta-analysis**

Debebe D.G., Eshetie S. (Ethiopia)

**704**

**Risk factors of depression among menopausal women in Sri Lanka: A case-control study**

Dheerasinghe D.S.A.F., Kathriarachchi S., Seneviratne H.R., Cader M., Fonseka P. (Sri Lanka)

**530**

**It takes two to own: Engaging stakeholders in addressing adolescents sexual and reproductive health in the Volta Region of Ghana using routine district health information and implementation research**

Doegah P.T., Acquah E., Agordoh P., Mottey B., Ansah E., Gyapong M. (Ghana)

**758**

**Uptake and accuracy of caregivers testing children using oral HIV tests in Zimbabwe**

Dziva Chikwari C., Bandason T., Simms V., Dringus S., McHugh G., Sibanda E., Chikodzore R., Mutseta M., Ncube G., Corbett E.L., Ferrand R.A. (UK & Zimbabwe)

**356**

**Community level strategies to improve maternal and newborn health outcomes in LMIC: Lessons from Cross River, Nigeria**

Femi-Pius O., Arogundade K.A., Jaiyeola O., Erhunmwunse Y., Jega F. (Nigeria)

**1145**

**NCD crisis: Is the health system ready! Need for increased promotion of physical activity by healthcare professionals in India**

Garg S., Ramankutty V. (India)

**917**

**Norovirus gastroenteritis in children <5 years in the inpatient and outpatient settings at a tertiary care centre in South India**

Giri S., Hanusha J., Maheshwari K., Vinje J., Iturriza-Gomara M., Kang G. (India, USA & UK)

**960**

**Aetiology of acute gastroenteritis in children less than 5 years: A 2-year prospective case-control study from South India**

Giri S., Praharaj I., Benny B., Revathy R., Iturriza-Gomara M., Kang G. (India & UK)

## Poster List – Thursday 19 September

49

**Sustainable implementation of the SwimSafe drowning reduction program in Bangladesh: Gender perspectives, impacts and influences**

Gupta M., Rahman A., Ul Baset K., Jagnoor J. (Australia, Bangladesh & India)

13

**Reducing maternal and neonatal mortality and morbidity by strengthening midwives' skills and improving their work setting in Arsi Zone, Oromia Region, Ethiopia: End-of-project evaluation report 2013-2016**

Habtamu A., Fauveau V., Muleta M. (Ethiopia & France)

1029

**Inequalities in the coverage of Bacille Calmette-Guérin (BCG) immunization for tuberculosis among children 12-23 years of age in low- and middle- income countries**

Hasan M.M., Magalhaes R.J.S., Mamun A.A. (Australia)

563

**The impact of a maternal near-miss event on the survivors' lives after three months**

Herklots T., Saadun Mabrouk S., Khamis Mzee M., Meguid T., Franx A., Jacod B. (The Netherlands, Tanzania & Burundi)

238

**Pathological changes in the brains of persons who died with Nodding Syndrome and other forms of epilepsy in northern Uganda**

Hotterbeekx A., Onzivua S., Lammens M., Kumar-Singh S., Lukande R., Idro R., Akena G., Colebunders R. (Belgium & Uganda)

565

**Risks of low birth weight associated with tobacco smoking among women in India**

Islam S. (India)

569

**Assessing the role of households use of solid fuels on child mortality in India**

Islam S. (India)

114

**Variations in prevalence rates of household food insecurity and child undernutrition in South Ethiopia: A panel study**

Kabalo B.Y., Hagos S., Loha E., Lindtjørn B. (Ethiopia & Norway)

182

**Prevalence of unintended pregnancy and informed choice of family planning among women attending antenatal clinic at Mchinji District H085ospital, Central Malawi**

Kalumbi L.R., Chisi K. (Malawi)

85

**Incidence and outcomes of pregnancies among female sex workers in Eldoret Kenya**

Kipyego J., Kaguiru E., Komen A., Kutwa G., Mbowo I., Were E. (Kenya)

587

**Toxoplasmosis-related knowledge among pregnant women attending public health centers in Casablanca, Morocco**

Ait Hamou S., Laboudi M. (Morocco)

## Poster List – Thursday 19 September

**1085**

**Prevalence and factors associated with intestinal parasitic infection among schoolchildren in Honiara, Solomon Islands**

Lee J.D., Wang J.J., Chung L.Y., Lin R.J., Chang W.C., Hsu H.Y., Lin Y.C., Yen C.M. (Taiwan & Solomon Islands)

**232**

**Identifying the ways to reach young adult married Indian women for delivering reproductive and sexual health services**

Arpita Mukherjee A. (India)

**974**

**Baby-friendly hospital initiative: An option for quality improvement in infant and young child feeding for Rwandan health facilities**

Manzi M.O. (Rwanda)

**747**

**Prevalence of Human Immunodeficiency Virus and Hepatitis B virus infections in young women seeking abortion care in Ethiopia: A cross-sectional study**

Mulu W., Zenebe Y., Abera B., Yimer M., Hailu T. (Ethiopia)

**898**

**Predictors of obstructed labour in Mbale Regional Referral Hospital: A case control study**

Musaba W.M., Barageine J.K., Ndeezi G., Wamono F., Weeks A.D., Wandabwa J.N. (Uganda & UK)

**897**

**Feeding practices for very low birth weight infants in neonatal units in Nigeria**

Tongo K., Nabwera H.M., Akindolire A., Ezeaka C., Imam Z., Umore D., Abdulkadir I., Allen S. (Nigeria & UK)

**266**

**An association between HIV prevalence and socioeconomic factors among young people in Zambia: Do neighbourhood contextual effects play a role**

Nakazwe C., Michelo C., Fylkesnes M.K., Sandøy I.F. (Norway & Zambia)

**931**

***Giardia lamblia* in Ugandan children aged 9 to 36 months attending Mulago hospital, Kampala: Prevalence and associated factors**

Ndeezi G., Mor S.M., Ascolillo L.R., Tasimwa H.B., Nakato R., Namuli L., Tzipori S., Mukunya D., Griffiths J.K., Tumwine J.K. (Uganda, UK & USA)

**987**

**Perceptions, experience and barriers to family planning methods in Eastern and Central African countries: A systematic review of qualitative evidence**

Ndishimye P., Ndaruhutse V., Buranga A., Musanabaganwa C., Feyissa G.T., Sayinzoga F., Condo U.J. (Rwanda & Ethiopia)

**307**

**Looking 15 years back in stunting in Nepal**

Nepali S., Simkhada P., Davies I. (Nepal & UK)

**759**

**New technology for improvement of maternal, neonatal and child health care, the case of Mutaho Health district in Burundi**

Niyibizi R.W., Ruhimbo M. (Burundi)

## Poster List – Thursday 19 September

477

**Decision-making in a clinical trial involving pregnant women in the Gambia: The perceptions of pregnant women, field workers and the community**

Njue M.W., Grietens K.P. (Belgium)

1058

**Three out of four women are not screened for Hypertensive Disorders in Pregnancy in Kinshasa, Democratic Republic of Congo**

Nkamba M.D., Ditekemena J., Wembodinga G., Tshetu K.A., Robert A. (DRC & Belgium)

84

**How are women's empowerment and other social determinants of health associated with antenatal care in Nigeria? Empirical measurement of the empowerment process using the capability approach**

Pratley P., Sandberg J. (The Netherlands & USA)

1004

**Childhood onset diabetes mellitus: Epidemiological, clinical and follow-up features at Ouagadougou (Burkina Faso)**

Sagna Y., Saloukou M.K.E., Bognounou R., Yanogo D.A.R., Bagbila A.P., Traoré S., Guira O., Tiéno H., Drabo Y.J. (Burkina Faso)

405

**Epidemiology and economic impact of giardiasis: Study among paediatric outpatients in eastern Spain**

Saura-Carretero Z., Pérez-Olaso O., Sánchez-Thevenet P., Real-Fernández A., Aleixandre-Górriz I., Gregori-Roig P. (Spain)

215

**Barriers facing youths in accessing Youth Friendly Sexual and Reproductive Health Services (YFSRHS) in Tanzania: Case study Kilimanjaro Christian Medical University College**

Saria V.F., Alloyce J.P. (Tanzania)

909

**On-the-job peers training for better quality abortion and family planning services in Burkina Faso**

Sawadogo A. (Burkina Faso)

221

**Curbing maternal fetal mortality (evidence from Rwanda): Recommendations for seizing preeclampsia**

Irudukunda C., Sawhney M. (Rwanda & USA)

850

**Unique engagement of public universities to improve reproductive, maternal and neonatal (RMN) health of pastoralists: Experience from Reproductive Health Innovation Fund (RIF) project**

Sinke A.H. (Ethiopia)

819

**Trends in non-neonatal tetanus morbidity and mortality, Ethiopia - September 2014 - August 2018**

Temre Y., Awole S. (Ethiopia)

1106

**The effects of health care access on child nutritional status in Kenya**

Kiptoo C. (Nairobi)

## Poster List – Thursday 19 September

152

**Motivators and barriers to exclusive breastfeeding and diversity of complementary feeding in a rapidly urbanizing setting in Sierra Leone**

Turay H., Sesay F.F., Kallon M., Conteh I., Kargbo A.A., Jalloh U.H., Hodges M.H. (Sierra Leone)

159

**Determinants of breastfeeding practice in Pujehun District, Sierra Leone: A mixed-method study**

Van Breevoort D., Tognon F., George M.G., Segafredo G., Pisani E., Van den Broek A., Putoto G. (Sierra Leone, Italy & The Netherlands)

510

**Developing a menstrual health intervention to support rural Ugandan schoolgirls and their communities**

Wilson E., Smith C., Herbert E., Julious S. (UK)

### Snake Bite Posters

723

**Epidemiological characteristics of snake-bite victims in Gadarif Hospital, Eastern Sudan**

Saeed M.O., Mohammed A.A., Gamal K.A., AbdelAzim A.A. (Sudan)

549

**Acute phase and acute inflammatory responses in a mouse model of envenoming by medically-important African snakes**

Alsolaiss J., Evans C., Casewell N., Harrison R. (UK)

1053

**Modulation of the edema developed by the snake venom *Bothrops erythromelas* (Serpentes, Viperidae)**

Cavalcante J.S., Silva W.R.G.B., Chaves E.A., Almeida C.A.S., Jorge R.J.B., Bicho C.L. (Brazil)

434

**Inflammation in snakebite necrosis**

Dawson C.A., Ainsworth S., Harrison R.A. (UK)

1072

**Severe Viperidae envenomation complicated by a state of shock, acute kidney injury, and gangrene presenting late at the emergency department: A case report**

Tochie J.N., Esiéné A., Etoundi P.O., Ze Minkande J. (Cameroon)

938

**Verbal autopsy tool for audits of snakebite events in resource-limited settings**

Tianyi F.L., Agbor V.N., Tochie J.N., Kadia B.M., Medang R., Nkwescheu A.S. (Cameroon)

274

**The exposure of forest staff in tiger reserves in Central India to snake bites**

Trivedy C., Gadre V. (India & UK)

1139

**Edematogenic mechanism of venom of *Bothrops erythromelas* (Serpentes, Viperidae): histological analysis of tissue damage and neutralization process**

Cavalcante J.S., Silva W.R.G.B.,
